

# LADIES DRIVING CHALLENGE

## Are you ready for the drive of your life?

Sunday, 20 May 2012  
at RAF Alconbury, Nr Huntingdon, Cambs

Would you drive a fire engine? How about a digger? What about a tractor or a hovercraft? Well, we're **inviting you to test your driving skills** at The Fire Fighters Charity Ladies Driving Challenge!

To take control of the wheel for a day it is **just £10 to register**, and a pledge to raise at least £90 in sponsorship. By taking part you'll be raising funds to help injured fire fighters, and for doing so we guarantee you the most fun you can have with a seat-belt on! All participants will receive a certificate, with special prizes awarded for the ladies who raise the most money.

So, what are you waiting for!? Register online today at [www.firefighterscharity.org.uk/lcd](http://www.firefighterscharity.org.uk/lcd) or contact event administrator Jenny Butler at [jenny.butler@bedsfire.com](mailto:jenny.butler@bedsfire.com) or call 01234 845130
